

# CAPABILITIES STATEMENT

ITIC Corporation is a Veteran Owned Small Business established in 2004 that specializes in providing Systems Engineering services within the Intelligence Community. Our team has over 100 years of combined experience supporting mission-critical, business and service applications as a subcontractor for major commercial primaries and the federal government. Along with being a member of the National Veteran Owned Business Association (NaVOBA), ITIC is registered with CCR, ORCA, NSA ARC, SBA DSBS, FedBizOps, VetBiz and Maryland PTAP.

## Our Areas of Expertise

As a Systems Engineering Company, ITIC currently employs 15 ISSA/TS cleared IT professionals, in addition to a highly trained administrative support staff. Through our dynamic team, ITIC focuses in the following areas:

- *Application Hosting*: Database Applications, Weblogic and Tomcat/Apache, Network Load Balancing, Clustering, SOA
- *Systems Engineering, Integration, Administration*: Oracle, Weblogic, Tomcat, Apache, Solaris, LINUX, Windows, Veritas Cluster Services (VCS)
- *Infrastructure Design and Support*: System Hardware and OS, Virtualization, Network, SUN, HP, IBM, CISCO
- *Storage Capabilities with SAN Architecture, Network and Transitioning*: SAN, Switches, Networks, Backup/Restore, Storage Virtualization, EMC, HDS, MCDATA, FC, iSCSI and FCOE.
- *Systems Management*: Capacity Planning, Process Engineering, Asset Management, Transition Planning

Additionally, we also provide support in the areas of Configuration Management, System Security, Operations Watch, and Desktop Support.

## Our Partners

ITIC has a solid track record of partnering with some of the most engaged companies in the Intelligence Community, in both the government and commercial subcontracting sectors, including:

- *Lockheed Martin*: System Engineering, O&M, on CLOCS Application Hosting since 2004
- *General Dynamics*: Storage Engineering and O&M Support on i2S since 2007
- *Unisys*: Business Development and Proposal Consulting since 2008
- *Raytheon*: Business Development Consulting since 2009
- *DillonWorks*: Business Development Consulting since 2010

## Our Philosophy

ITIC is a modern company built on trust, integrity and old-fashioned hard work. Serving the Intelligence Community in DC, Virginia and Maryland, we are committed to a three-prong approach to all of the services we provide:

- 1) *Top Shelf*: ITIC only employs proven, dedicated, cleared professional staff.
- 2) *Education*: We provide on-going education and certification programs to ensure our team is on the leading edge of new technology and best practices.
- 3) *Customer Service*: Our performance is the driving force behind our success, and proactive interaction, support and communication are the foundation we stand on.
